

Special Olympics Minnesota Youth Summit

**LEAD WITH KINDNESS.
PLAY WITH PURPOSE.**

What are the students going to be doing?

Team Concepts is an organization that empowers students to become influential by using their natural strengths and leadership style to foster inclusive school communities.

Students are going to experience opportunities to:

- Embrace each other's differences and celebrates success in various situations
- Learn about strategies to overcoming adversity
- Foster creative solutions to solve problems for all abilities by using teamwork and communication
- Develop leadership traits in how to lead a team in a way that is respectful, encouraging, and inclusive

Every participant will also receive a goodie bag for attending!

Are educators or administrators welcome?

YES! While the students are learning about inclusive leadership, educators will be meeting to discuss inclusive school programming.

Is there a cost associated?

NO! All costs associated with the event are included, you just have to get there.
